

1.4  **Video 6** Check your answers to 1.3, set a timer and watch Emanuele giving his talk. As you listen, make notes on what he says about each of the points in the task.

1.5 How long did Emanuele speak for? Look at the notes you made from Emanuele's talk. What would you add to make his talk longer?

1.6  **Video 7** Some candidates run out of ideas after only one minute. Watch Saida's response. How does the examiner help?

If you run out of ideas after only one minute, you can

- look quickly at your notes.
- look at the question again (did you miss any details out?).
- refer back to an earlier point in your talk and add more.
- keep talking while you think.

1.7 The words in the box are useful to help you keep talking. Complete phrases 1–6 with a suitable word from the box. You may use any of the phrases more than once.

add	mentioned	said	described	as
else	forgot			

- 1 _____ I said earlier ...
- 2 At the beginning I _____ ...
- 3 I don't think I've _____ ...
- 4 Now, what _____ can I say?
- 5 I'd just like to _____ something about ...
- 6 One thing I _____ to mention ...

1.8  **Video 8** Watch Sanem completing the task in 1.2. Does she cover all of the points in the task?

1.9  **Video 9** Watch Sanem and Emanuele, talking at the end of Part 2. Write down the question the examiner asks.

- 1 Sanem's rounding-off question: _____ ?
- 2 Emanuele's rounding-off question: _____ ?

1.10 It is important to answer all of the questions fully. Watch again and make a note of how the candidates extend their answer.

 **Test Tip** As you talk, you should only look at your notes briefly.

Don't read directly from your notes. Notice how each of the candidates in the videos keeps eye contact with the examiner.

 **Test Tip** If you run out of ideas after one minute, give yourself a fresh start by looking at your notes or looking at the task in the booklet again.

2 Improving Fluency and Coherence

Two of the criteria your examiner will use to assess your speaking are **Coherence** and **Fluency**. Coherence means how easy it is for the listener to follow and understand your ideas. Just as in writing, your notes can help you to organise and link your ideas in a logical way.

- 2.1**  **Video 10** Watch Melanie giving her talk. As you listen, look back at the task in 1.2.

- 1 How does Melanie begin her talk?
- 2 Fill in the blanks in Melanie's first sentences.

You _____ a time when I _____
To that aim, _____
Aniseto.

- 3 How does she use the information in the question to help organise her ideas?

One way of linking your ideas is by using words and phrases like *after that, because of this, but, also, etc.* We also connect ideas using pronouns.

- 2.2** Below there are some examples of good coherence from Melanie's talk. The words and phrases she uses to connect her ideas are in bold. Complete extracts 1–8 with endings A–H.

- A I decided to take English lessons.
- B I helped him.
- C I could help him a little.
- D he couldn't speak English at all.
- E it wasn't just for him, it was also for me.
- F it wasn't a good thing.
- G he was very friendly.
- H I've chosen to talk about Aniseto.

- 1 You asked me to describe a time when I helped someone.
To that aim ...
- 2 I went to visit my uncle just as a tourist **but then** ...
- 3 I met a Venezuelan boy **and** ...
- 4 I'm not very good at English **but** ...
- 5 So, **that's it, that's how** ...
- 6 I wanted to do that **because** ...
- 7 I could practise my English **too, so** ...
- 8 Some people say that **now** he has a French accent, **so maybe** ...

- 2.3** Watch again to check your answers.

2.4 It is important to use a variety of language. Do you think Melanie uses a variety of connecting words and phrases or does she repeat the same ones?

2.5 Melanie also connects her ideas using pronouns. Look again at the sentence endings A–H and highlight all of the pronouns.

Fluency refers to the speed of your delivery and how hesitant you are. Candidates who are hesitant often say *er* ... a lot.

2.6  Watch Saida's talk and think about coherence and fluency.

- 1 What words and phrases does Saida use to link her ideas?
- 2 What other connecting words could Saida have used?
- 3 Does she use pronouns?
- 4 Does Saida talk fluently, or is she quite hesitant?

3 Organising your notes and your talk

Making notes can help you to plan your ideas and to give you a fresh start during your talk. Your notes will help you to

- start you thinking about the topic.
- organise your ideas (improve your coherence).
- keep going during your talk (improve your fluency).

3.1 Read this Part 2 task and look at two different candidates' notes.

Describe a person who has been an important influence in your life.

You should say

who this person is and how long you have known him or her
why you chose this person
how this person has influenced your life
and explain how you feel about him or her.

Candidate 1

Who and how long? older brother / 36 years old / a lawyer / lives in America / not see often / known him all my life

Why I chose him when young had problems at school / learning difficulties / his dream – to be a lawyer / failed many times / finally succeeded

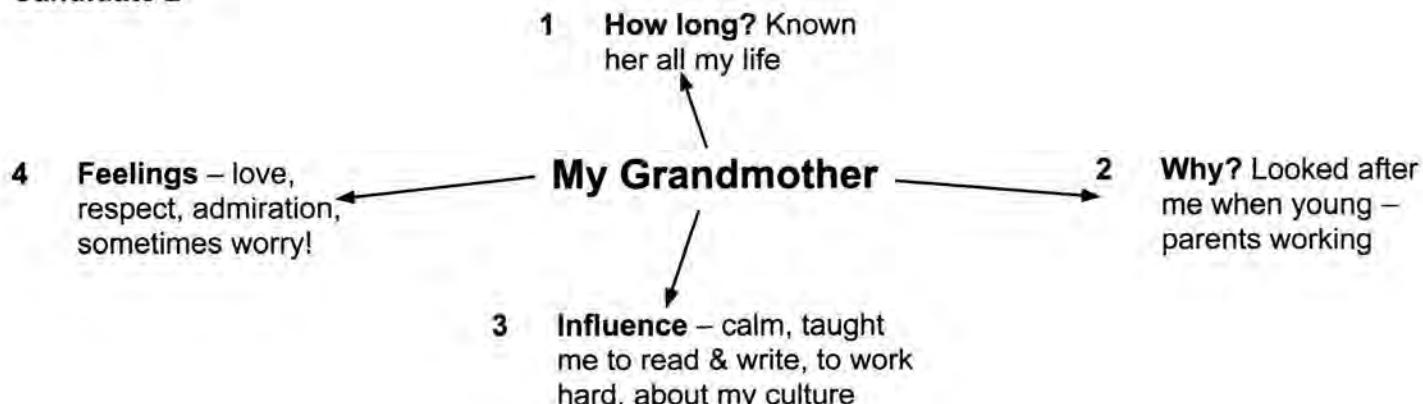

How he has influenced my life taught me to keep going / have a clear goal / don't give up / last year: I failed important test / disappointed but didn't give up / trying again soon

My feelings grateful / admiration / proud

Test Tip

When you are making your notes, try not to write too much. It is important to use this time to think and note down ideas or words, but you also need to be able to quickly look at your notes during your talk and easily find your next idea. Try to find a way that helps you do this (e.g. organise your ideas clockwise on your page, rather than in a random order).

Candidate 2

3.2 Think about your own notes.

- 1 When you make notes, do you write them
 - A in a list?
 - B scattered randomly on the page?
 - C in a mind map or diagram?
- 2 Do you write
 - A single words?
 - B long phrases?
 - C whole sentences?
- 3 Try to decide which style of notes would be most helpful for you during the exam.

3.3 Use the two sets of notes in 3.1 to give a talk about the different people. Use all of the details, and time yourself. Concentrate on connecting your ideas and use the ideas below to help you.

- I've decided to talk about ...
- I've known him/her ...
- I chose him/her because ...
- I think s/he has influenced my life by ...
- When I think of him/her, I feel ...

3.4 Choose the style of notes you feel most comfortable with and write detailed notes about a person who has influenced you. Then, give a talk about him or her. Make sure you time yourself. Record or video yourself if possible.

3.5 Were your notes helpful? Did you write too much or not enough?

3.6 Answer the rounding-off question below. Try to expand on your answers in the same way as Sanem and Emanuele did.

- Who do you think has the most influence in your life: your family or your friends? Why?

Speaking skills

3 Part 3 – Talking about abstract topics

In this unit you will practise:

- talking about abstract topics
- giving your personal opinion
- agreeing and disagreeing
- improving your Lexical Resource score

1 Talking about abstract topics

In Parts 1 and 2 of the Speaking test, the topics and questions are familiar and personal. In Part 3, the topics and questions are more general and more abstract. The questions gradually become more difficult.

1.1  **Video 12** Listen to how the examiner introduces Part 3. Complete the paragraph below. You may need to watch more than once.

We've been talking about 1 _____, and I'd like to

2 _____ one or two more 3 _____.

So, let's consider first of all 4 _____.

The examiner has a list of topics and ideas to guide them, but they will also adapt their questions to your answers.

1.2  **Video 13** Watch and complete the questions the examiner asks.

A Can you tell me some of the practical things

?

B Why should

?

C You live in quite a small town ... Do you think

?

D So why don't they

?

E Let's go on and think about

.

Some people don't

?

F Do you think that the

?

G But doesn't that sometimes mean that

?

H So, Emanuele, do you think that some people

?

Test Tip

Listen carefully to the examiner's questions to make sure that you answer them fully and appropriately.

Test Tip

In each part of the test, it is very important to answer all of the questions as fully as possible so that the examiner can assess your language. This will also help improve your score. Make sure to expand on your answers as much as possible.

1.3 ►Video 13 Watch Emanuele answering the questions from 1.2.

Match the extracts 1–8 from his answers to questions A–H.

- 1 I think governments should create ... the right base.
- 2 But sometimes I understand that it's difficult to help some people.
- 3 You may have a problem some day and if there is someone that can help you, it's a good thing.
- 4 I think the most common action you can do would be to lend him something he doesn't have.
- 5 Life in cities is quite stressful.
- 6 I think that everyone should help each other first, then the government can create the structure and can act in the right way to allow people to be helpful.
- 7 I think it depends on the country. For example, the experience I had here in England showed me that people are much more helpful here.
- 8 You should always try to be helpful because you can't base your attitude on a past experience.

1.4 Emanuele gave full answers to the questions. Look at these techniques for expanding on your answers in Part 3.

Techniques

- A stating or explaining your own view
- B giving relevant examples
- C explaining how or why something happens
- D saying what would, could, should or might happen
- E suggesting a solution to a problem
- F explaining another side to the issue

1.5 Match the sentence beginnings 1–6 to the correct technique A–F in 1.4. You may use any letter more than once.

- | | |
|---------------------------------|---|
| 1 For instance,
when we ... | 4 On the other hand,
some people believe ... |
| 2 If that happened,
then ... | 5 This happens
because ... |
| 3 Well, I think ... | 6 One way of dealing
with this is ... |

1.6 Match techniques A–F with Emanuele's answers 1–8 above.

1.7 The questions in Part 3 often ask for your opinion. Look at the questions 1–5 and answer them in your own words. Make sure you expand on your answer using techniques from 1.4.

- 1 Do you think it's more important to earn a large salary or to be happy in your job?
- 2 Do you think some people spend too much time on their computers these days? (Why?)
- 3 Do you think the government should try to control the internet, or should people be able to write whatever they want?
- 4 Pollution is a problem in many countries. What do you think governments can do about it?
- 5 Do you think newspapers and books will eventually disappear?

 **Test Tip** For Part 3, it is important to have your own opinion. Try to read newspapers and watch the news to keep up with current issues.

2 Agreeing and disagreeing

2.1 Sometimes the examiner will give you an opinion and then ask 'Would you agree with that?' Look at the following responses to this question. Put the different answers into the correct column according to their meaning.

- | | |
|--|--|
| 1 Oh no, not at all. | 6 I completely disagree. |
| 2 Well, I think there are valid points for both. | 7 I can see your point, but ... |
| 3 I totally agree with that. | 8 Yes, I think that's absolutely right. |
| 4 I think I would probably have to say no. | 9 Actually, I think it depends on the situation/country/person |
| 5 To a certain extent, yes. | 10 It seems to me that there are two sides to consider. |

 **Test Tip** Don't be afraid to disagree with the opinions the examiner expresses. These are not necessarily what the examiner thinks or believes. It is simply a chance for you to showcase your language and ideas.

Strongly disagree	Disagree to some extent	Neither agree nor disagree	Agree to some extent	Strongly agree

2.2 Look at the statements 1–5 and decide whether you agree.

- 1 Video games in general are a lot more violent nowadays.
- 2 People should be made to retire earlier so that younger people have a better chance of getting a job.
- 3 Robots will play a more important role in our lives in the future.
- 4 We don't do enough to protect the environment.
- 5 Everyone should take some sort of further education.

3 Improving your Lexical Resource score

Another of the criteria your examiner will use to assess your speaking is called **Lexical Resource**. You will score well if you use a wide range of vocabulary and don't limit yourself to basic words and phrases.

During the Speaking test, try not to repeat the same words too often and use some idiomatic expressions if you can.

3.1 Create idiomatic expressions by completing phrases 1–6 with endings A–F.

- | | |
|----------------------------------|----------------------------|
| 1 I felt as though I didn't have | A louder than words. |
| 2 I couldn't keep | B a bit of a slave driver. |
| 3 Actions speak | C a care in the world. |
| 4 My boss was | D by its cover. |
| 5 My sister and I are like | E a straight face. |
| 6 You can't judge a book | F two peas in a pod. |

3.2 Match the completed expressions in 3.1 with the correct meaning.

- A I was made to work very hard.
- B We're very similar.
- C Appearances can be deceiving.
- D I was very relaxed.
- E What we do matters more than what we say.
- F I found it difficult not to laugh.

3.3 Below are some words/phrases that Emanuele used in Part 3. Are they basic or higher-level vocabulary? Circle the higher-level words.

holiday	help	it depends on	experience
attitude	small	base (something) on	
create the structure		personal responsibility	children
act in the right way		allow people to	everybody deserves
bad	more or less	house	

3.4 Emanuele was given a score of 7 for Lexical Resource. Why do you think that is?

3.5 Video 13 Watch again and tick the words/phrases in 3.3 as you hear them.

3.6 Look again at the questions in 1.2 and answer them yourself.

Speaking skills

4 Checking, correcting and assessing

In this unit you will practise:

- dealing with problems
- pronunciation and intonation
- running words together (chunking)
- assessing your level

1 Dealing with problems

1.1  **Video 14** Watch five extracts from different interviews and decide which of the problems (A–D) each candidate is experiencing. There may be more than one possible answer and you may use any letter more than once.

Problems

- A the candidate doesn't understand the question
- B the candidate hasn't heard the question properly
- C the candidate has made a mistake
- D the candidate isn't sure how to answer

- | | |
|-------------|------------|
| 1 Emanuele: | 4 Saida: |
| 2 Saida: | 5 Melanie: |
| 3 Melanie: | |

1.2 Watch again and notice how the candidate responds to the problem. Choose the correct letter (A–D).

Candidate's response to the problem

- A the candidate stays silent
- B the candidate attempts an answer but is hesitant
- C the candidate asks a question to check
- D the candidate corrects him/herself

1.3 Which of these ways of dealing with problems do you think could give you a lower mark? Why?

1.4 What did the examiner do in extracts 1 and 2 to help keep the candidate talking?

1.5 Here are some useful phrases you can use to deal with problems in the test. Match the phrases to the problems (A–D) in 1.1. You can use any of the phrases more than once.

Sorry, I meant to say ... I'm sorry, could you repeat the question?
I honestly have no idea. I'm not really sure what you mean.
I've never really thought about that before.

2 Pronunciation, intonation and 'chunking'

Study Tip If you are unsure which individual sounds you are saying incorrectly, try reading a short passage from this book aloud and asking another student to write down what you say. Are there any words or sounds that they have difficulty understanding? Or, record yourself and listen back. How easy is it to write what you hear?

The fourth criterion your examiner will use to assess your English level is **Pronunciation**. This includes:

- pronouncing individual sounds clearly.
- using intonation and stress to help communicate your ideas.
- 'chunking' (running your words together naturally and clearly – not in a robotic way).

Individual sounds

Hearing the difference between sounds you find difficult can be the first step to saying them correctly.

2.1 34 To help you identify which English sounds you may have a problem with, listen and circle the word that you hear.

- | | | |
|-----------------------------------|------------------------------------|---------------------------------|
| 1 <u>it</u> / eat | 2 look / <u>luck</u> | 3 full / <u>fool</u> |
| 4 <u>bad</u> / bed | 5 workmen / work <u>man</u> | 6 <u>fur</u> / far |
| 7 board / <u>bird</u> | 8 spot / sport | 9 <u>ankle</u> / uncle |
| 10 <u>stairs</u> / stars | 11 heart / hot | 12 knee / <u>near</u> |
| 13 chest / chased | 14 crawl / cruel | 15 con / <u>coin</u> |
| 16 <u>could</u> / code | 17 fur / <u>fair</u> | 18 back / bike |
| 19 can't / <u>count</u> | 20 day / <u>they</u> | 21 breathe / breeze |
| 22 depend / defend | 23 bland / brand | 24 sort / <u>thought</u> |
| 25 close (adj) / close (v) | 26 save / <u>shave</u> | 27 hair / air |
| 28 <u>bet</u> / yet | | |

2.2 35 Listen and practise saying all of the words correctly.

2.3 Read one word from each pair in 2.1 to a friend and ask them to write down the word they hear. Did they write the correct word?
